

**EDUCATION WITH  
AN INTEGRAL AND  
HUMAN APPROACH**

UNIVERSIDAD  
DE PIURA

50 years ago, in the Universidad de Piura we took on the challenge of training exceptional professionals, capable of changing the world. On our two campuses, located in Lima and in Piura, we seek to promote and disseminate scientific research in all fields of human knowledge.

Through our highest level of academic rigor, personalized education and promotion of values, combined with our modern infrastructure, and diverse international agreements, we are able to guarantee the highest level of success to all of our students and graduates.

We at Udep have an approach that focuses on the person and ethics, which are the fundamental cornerstones of our commitment as an institution to promote the spirit of service and social responsibility.
