Getting Around

RECOMMENDED TAXI & RIDE-HAILING APPS

Satelital · Directo · Uber · Cabify

We recommend using taxi or ride-hailing apps rather than hailing taxis on the street, as they provide greater traceability and security.

To facilitate your transfer from Jorge Chávez International Airport, here is some [official information](#) that may be useful.

Weather in Lima

LIMA IN OCTOBER

This October, Lima is experiencing unusually warm weather for this time of year, with temperatures ranging from around 18–19 °C (64–66 °F) in the early morning and evening to approximately 29–30 °C (84–86 °F) around midday and in the afternoon.

We recommend light clothing during the day and a light layer for the evening.
