# AMAUTA UDEP - 2026

International Program in Education and  
Social Development

FACULTY OF EDUCATIONAL SCIENCES

The **International Program Amauta UDEP** was born as an innovative proposal that offers international students of **Education, Communication, or Psychology** a practical experience that strengthens their social commitment and professional training in various educational contexts.

The experience, based on teaching practice, will follow the standards developed at the national level, offering the opportunity to participate in other teaching methodologies and in spaces for meeting and dialogue with different educational actors.

The program will be aimed at students in the last two years of their degree, who are interested in having an international experience that includes attending **seminars, receiving personalized guidance, and engaging in social development** through teaching practice in school classrooms, where they will be able to share their knowledge and proposals.

## Participants Profile:
